

Job Description

Job Title:	Director – Repairs & Maintenance Service
Directorate:	Housing, Regeneration and Operations
Responsible to:	Corporate Director – Housing, Regeneration and Operations
Responsible for:	Repairs & Maintenance Service
Grade:	DH4

Job Purpose

The core purpose of this post is to ensure effective stewardship of the council's property assets through effective and efficient management of the Corporate Estate including repairs and maintenance and facilities management, to achieve corporate priorities and excellent services to our customers in line with regulations.

The post-holder will be responsible for ensuring that the council meets its statutory duties with respect to the Housing Revenue Account related functions. The post-holder will be responsible for ensuring compliance and adherence to health, safety, statutory, legislative and regulatory standards across the entire Corporate Estate.

Key Accountabilities

Role specific

1. To support the Corporate Director in translating strategic vision and priorities into operational plans, monitoring their progress on a regular basis, identifying exceptions and risks and putting in place appropriate strategies to address issues.
2. To act as the Council's lead officer for the repair and maintenance of the council's estate, including the development, implementation and management of the council's repairs and maintenance strategy which aligns with the overall strategic objectives.
3. To define and deliver the long-term plans for asset management, preventative maintenance and service delivery.
4. To develop and implement a long-term facilities management strategy which plans for the future space and infrastructure needs of the organisation.
5. Compliance with the regulators Consumer Standards, including in particular the standard relating to repairs and maintenance.
6. To provide clear and timely operational and strategic advice, guidance and support to the Corporate Director, Chief Executive, Elected Members and senior management team, actively contributing to corporate policy and strategic decision making.
7. To ensure optimum models of service delivery based on business intelligence and best practice.

City of
Stoke-on-Trent

8. To drive service and business transformation opportunities to achieve continued excellence and efficiency and improved services for our residents.
9. Develop a strong contract management function and lead the improvement of housing repairs, actively exploring and harnessing innovation and best practice.
10. To drive sustainability initiatives to reduce the environment footprint of our facilities.
11. To ensure resilience in service delivery, based on excellent planning and logistics.
12. To demonstrate innovation and continuous improvement in the way that services are provided and the community is served, reflecting the council's ambitions as a digital-first authority, a commercial council and in promoting asset-based community development.
13. To promote a clear focus on quality assurance, service accessibility and responsiveness, maximising customer involvement and insight, to contribute to the development of sound leadership and a high-performance management culture within the Directorate.
14. To act as steward for the corporate and commercial property assets in the council's ownership in accordance with the Asset Management Plan, including management of the investment programme to maintain these assets.
15. To maximise the use of our assets through a full asset rationalisation programme driven by service needs and through new ways of working
16. To provide specific oversight of the delivery of children and young people services estate requirements including oversight of the schools PFI arrangements

Corporate

1. To determine the best models of service delivery, across the division which delivers a high-quality customer experience, achieves high performance and contributes to the council's ambitions to be a commercial council.
2. To develop/negotiate joint approaches to local service planning and delivery in partnership with all the relevant internal and external services providers and regional and national bodies.
3. To support and implement the Council's budget strategy within Government controls, including delivering on the requirements set by the section 151 officer on senior budget holders.
4. To develop and maintain appropriate relationships with diverse stakeholders including; elected members, council officers, local communities, businesses, Government departments, and other external agencies in order to maximise capacity and pool resources wherever possible, including undertaking work with and for other LAs.
5. To ensure the Council is equipped and supported to address all Government inspection and other external scrutiny in order to secure positive outcomes and high levels of achievement.
6. To ensure that the right systems, policies and procedures are in place which secure a high standard of probity, regularity and control at all times, including with respect to information governance.
7. Actively contribute to the role of the local authority as a corporate parent, in supporting our looked after children and care leavers to thrive
8. To embrace and role model the council's commitment to develop a culture of continuous improvement and restorative practice.

City of
Stoke-on-Trent

9. To ensure all employees within the portfolio have clear delivery plans, both in terms of their team as well as individually so that responsibility for achieving outcomes is shared and accountability is clear.
10. To act as an ambassador for the Council, promoting and enhancing the authority's image as a Member-led authority ambitious for the city, supporting the formation of strategic alliances and developing effective working relationships on a local, regional and national basis.
11. To lead on excellent employee relations through staff consultation and regular contact with Trade Union representatives at all levels.
12. To promote equal opportunities with our communities and staff through personal example, open commitment and clear action.
13. To develop a positive working environment encouraging active involvement of employees in shaping the co-production and delivery of services.
